Financial Consent:

I agree to all of the above listed diagnostic and medical recommendations for my pet.

I understand that this is an estimate and the final charges are based on the medical services rendered. Additional estimates may be needed as further diagnostics or therapy dictates on my pet's medical condition.

I assume financial responsibility for all charges incurred to my pet. A deposit is required for all pets admitted to the hospital. I agree to pay the average of the low and high estimated costs as a deposit at the time of admission. Additional deposits will be required if additional care or procedures are needed. I agree to keep 75% of the total bill on deposit at all times. I agree to pay the balance of the charges when my pet is released.
